## Public and Private Institutions

Of the 799 communication departments granting Baccalaureate degrees across the country, 345 are public institutions and 454 are private institutions.

| Institution Type | # of Programs | % of Total Communication Departments (799 total) |
|------------------|---------------|--|
| Public           | 345           | 43%  |
| Private          | 454           | 57%  |

## Public and Private Institutions by State
